

REQUEST FOR ADMISSION

For *aspiring* members or new Groups of Prayer ADP-VV

(Level ☐ A / ☐ B / ☐ C)

In the Name of the Lord,

Freely, conscientiously, and without any constraint, I, the undersigned,,
born in (...) on / / and living at
..... Tel Cell Email

AFTER HAVING

a beautiful spiritual experience – either directly (participating in the times of prayer in person) or indirectly (through social media) – with the Marian Groups of Prayer of the Community of the *Little Friars and Little Nuns of Jesus and Mary* (definitively approved by the Catholic Church in Noto on the 31st of May 2019 with the Episcopal Decree of His Excellency Mons. Antonio Staglianò), and after praying the meditated Holy Rosary according to your innovative style (*for a preliminary period of 4 consecutive experiences*) with the systematic prayer cards (according to the Word of God, the Charism of your community, and the Teaching of the Catholic Church) in an ADP-VV group of prayer (either in formation or previously formed),

ASK, WITH THE PRESENT DOCUMENT,

to be able to begin the *6 consecutive months of experience*, to further discern the Will of God regarding my specific calling as a layperson to become part of the ADP-VV “cenacles” of prayer, receiving from this moment and with great joy (inasmuch as I am an aspiring member of the cenacles of Marian prayer just mentioned) the *green bracelet* of the Holy Rosary. I trust that, after finishing the 6 months of experience – barring a negative evaluation, communicated in writing by email, on the part of the *pfsgm* leaders –

- ☐ the *new* cenacle can receive the distinctive pennant and become an *official ADP-VV group*
- ☐ that I can become an *official* member of the ADP-VV group of prayer

(at level ☐ A / ☐ B / ☐ C) in the city of (...), address
in the effort to lovingly observe these three fundamental points:

1. Praying the meditated Holy Rosary (whether once a week [Level ☐ A], once every 15 days [Level ☐ B], or once a month [Level ☐ C]) with the appropriate group of prayer, at the place, day, and time established according to the level.
2. Participating in the Holy Mass at least once a week, receiving Jesus in the Eucharist; and going to confession with a Catholic priest at least once a month.
3. Doing concrete works of charity, as far as possible, especially by helping the *Little Friars and Little Nuns of Jesus and Mary* in their works of charity and of evangelization!

If the experience should come to an end for reasons related to my or your discernment, moreover, I will return all of the material distinctive of the aforementioned cenacles of prayer to the consecrated *pfsgm* leaders as soon as possible. Furthermore, by signing the present form, I give my consent to the publication on the internet of photos and/or videos pertaining to my participation in the activities of the ADP-VV groups of prayer.

I entrust everything to the powerful intercession of Mary, the Mother of God, in the hope that she, through the prayer of these Marian groups (rooted in the Bible, your charism, and the Magisterium), will lead me all the more toward the true Light of God in Jesus. *Ad maiorem Dei Gloriam et Salutem animarum!*
